

Kitten Nursery Grant Application

The National Kitten Coalition is thrilled to announce a Grant Opportunity for your non-profit organization. Each year, thousands of sick, injured and orphaned kittens flood into animal shelters and rescue organizations across the country. This surge frequently challenges the physical and emotional capacities of staff and volunteers. Kittens are still the most euthanized group of animals in shelters. The National Kitten Coalition wants to help increase kitten survival rates in your community.

Thanks to a gift from a generous donor in memory of his wife, Sue Goetz Ross, who like him loved cats, The National Kitten Coalition is looking for organizations interested in starting their very own kitten nurseries.

To apply: Please complete the application (on a separate document), attach a cover letter, your IRS determination letter and most recent 990, and YOUR ORGANIZATION can be the recipient of a National Kitten Coalition kitten nursery consult! Completed applications must be submitted to Lora@kittencoalition.org by February 25, 2020 at midnight (EST). Please use the subject line: Nursery Consult Grant Application. Two recipient organizations will be notified March 2, 2020. Incomplete applications will not be considered.

To be considered, grant applications must include:

1. Completed application
2. Cover letter
3. 501(c)(3) IRS determination letter
4. Most recent 990
