

The Online Kitten Conference is a virtual convention for anyone who'd like to create a better future for the smallest felines! Join us from June 9th through June 11th for this kitten-focused event presented by the **National Kitten Coalition** (a non-profit) in partnership with the **Community Cats Podcast**.

This three-day virtual gathering will feature presentations by experts on raising and saving kittens, setting up and managing kitten-centered shelter programs, and more.

Since this is a virtual event, you'll have an opportunity to gain valuable insights and have your questions answered by some of the most knowledgeable leaders in the animal welfare community—without the expense and hassle of traveling.

SPONSORSHIP OPPORTUNITIES

We believe that turning your passion for cats into action takes education and encouragement beyond the podcast. That's why, since 2017, we've been organizing virtual conferences and workshops that are both affordable and convenient to attend - no travel required!

Sponsoring an event will put your business or organization in front of hundreds of participants who are invested in creating a better world for animals.

Check out the sponsorship opportunities we've made available for the 2024 season and contact Stacy LeBaron at stacy@communitycatspodcast.com, development@kittencoalition.com or call 978-239-2090 for questions.
