

Presented By The National Kitten Coalition  
& Community Cats Central

The eighth annual Kitten Conference, presented by the [National Kitten Coalition](#) (NKC) in partnership with [Community Cats Central](#) (CCC), is a virtual event June 6 and 7, 2026 for individuals and organizations seeking to create a better future for the smallest felines. Very young kittens frequently present challenges that those charged with their care are eager to learn to overcome. Older kittens may also raise questions for caregivers, questions our conference seeks to answer. Attendees enjoy expert-led sessions on kitten health, behavior, shelter programming, and practical foster skills — all accessible virtually, with no travel required.

**The Kitten Conference is an impactful opportunity to showcase your company at the same time you help to save kittens.** The kitten caregivers who attend the Conference are a passionate group. They include animal shelter and rescue staff, foster caregivers, veterinary professionals, and dedicated kitten enthusiasts. All care deeply about giving every kitten a chance at a long and happy life, and devote much time and many resources to that end. Attendance has steadily increased each year, with over 300 engaged participants in previous years, and we expect even greater engagement in 2026!

## SPONSORSHIP OPPORTUNITIES
